Monessen To Resume Citywide Leaf Collection Service

MONESSEN – After roughly six years, the City of Monessen will be resuming leaf collection services for city residents, this fall, Mayor Shorraw announced.

Monessen is a state-mandated community for leaf pickup; but former administration officials discontinued the practice for unknown reasons. The City will resume the practice as a service to residents, and to help honor its commitments in regards to recycling practices.

Residents are being asked to rake and bag leaves, and to place them at the edge of their property – where they'd normally leave their garbage for collection. The Monessen Public Works Department will collect leaves the day after residents' regularly scheduled garbage collection day. This collection will be ongoing throughout the autumn season.
